Important Information

We would like to encourage those open centers which have not entered data yet into the SLIM-Registry, to do so. Please do not hesitate to request support for data entry if necessary.

The **monitoring process** to verify and to complete data has started and some of you were contacted meanwhile by the principal investigators. Thank you very much for all your support in that process of data clarification. This will clearly improve data quality in the SLIM-Registry.

Please do not forget to **claim your compensation for every registered patient**. For every patient documented completely you will receive CHF 300.- (CHF 200.- at registration, CHF 100.- at last Follow up).

Please find that issue of our **SLIM-REGISTRY-NEWSLETTER** at our homepage <http://www.slim-registry.ch>, under the section "NEWSLETTER".
