Swiss Lenalidomide In MDS del(5q) - Registry (SLIM - Registry)

Lenalidomide for patients with MDS del (5q) in daily practice in Switzerland - a data collection

<http://www.slim-registry.ch>

Issue No. 2, 14.08.2015

Dear participants of the SLIM-Registry

Since the last Newsletter the following additional centers are now open for data entry into the SLIM-Registry (in alphabetical order):

BE - Praxis Bubenberg – V. Rigamonti

SH – Kantonsspital Schaffhausen, Schaffhausen – H.-P. Schäfer

SO – Kantonsspital Olten, Olten – D. Friess

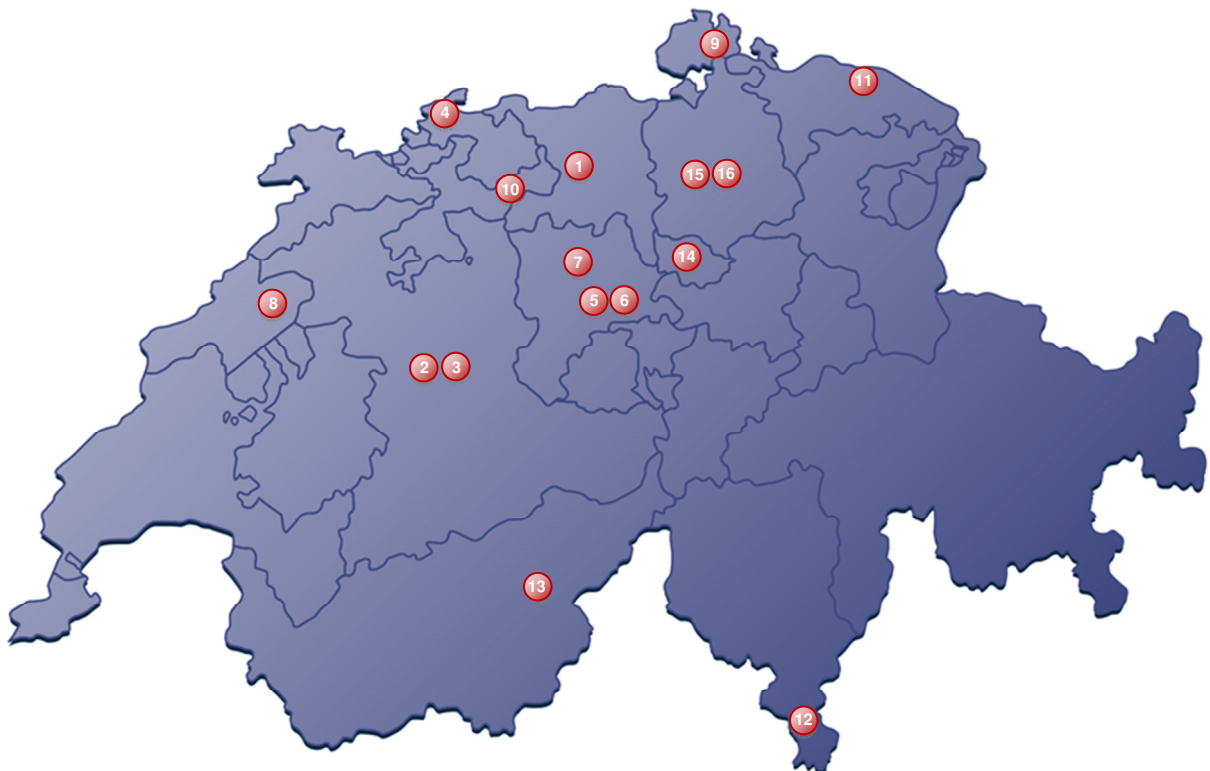

VS – Spitalzentrum Oberwallis, Brig – R. Zenhäusern

A warm welcome to all these centers – we look very much forward to your contribution to the SLIM-Registry.

News and Highlights

As it was realized that some patients will receive a second course of Lenalidomide-cycles after the first course of LEN-cycles was stopped for whatever reasons (sometimes many years thereafter), the possibility of data entry of these subsequent LEN-cycles was introduced by adapting the eCRF in the last section "Follow-Up" accordingly.

Participating Centers in the SLIM-Registry

TOTAL	26

Important Information

To ensure high quality data every patient entered into the SLIM-Registry will undergo a monitoring process. Therefore, those who already entered data into the SLIM-Registry will be contacted in the upcoming months in order to verify or complete the data or to answer questions which might come up in the process of data review.

To claim your compensation for every registered patient please use the invoice at the Homepage of the SLIM-Registry www.slim-registry.ch after your Log-in. Please fill in the details of your bank account in the invoice and send that form to CTU Haematology, c/o Mrs. Gaby Fahrni, Luzerner Kantonsspital, Spitalstrasse, 6000 Luzern 16.
