## Important Information

The monitoring process to ensure high quality data has now started using the monitoring tool integrated in the eCRF. Every patient entered into the SLIM-Registry will be monitored and you will be contacted by the principal investigators to verify or to complete data in the SLIM-Registry in the near future.

We would like to encourage those SLIM-Centers, which have not included patients so far, to do so. If you need support to enter data into the SLIM-Registry at your center please get in touch with Axel Rüfer or Jeroen Goede (see below).

To claim your **compensation for every registered patient** please use the invoice at the Homepage [www.slim-registry.ch](http://www.slim-registry.ch) after your Log-in. Please fill in the details of your bank account in the invoice and send that form to CTU Haematology, c/o Mrs. Gaby Fahrni, Luzerner Kantonsspital, Spitalstrasse, 6000 Luzern 16.
