## Important Information

Our abstract "**A first interim status of the Swiss Lenalidomide In MDS del (5q) – Registry (SLIM-Registry)**" has been accepted for poster presentation at the upcoming 1. spring meeting of the Swiss Society of General Internal Medicine and the 69. annual meeting of the Swiss Society of Hematology and can be viewed at **27.05.2016** in the Poster Viewing section between 12 am and 2 pm. Thanks to all of you for your contribution to this first publication of data from the SLIM-Registry!

Dr. Jeroen Goede was elected as Head Hematology at the Department of Medical Oncology and Hematology at the Kantonsspital Winterthur (KSW). Congratulations and good luck for this prestigious and responsible position. KSW is in the process of ethics committee approval and will hopefully open as a new SLIM-center soon.

The monitoring process will carry on and you will be contacted by the principal investigators to verify or to complete data in the SLIM-Registry in the near future. Please do not forget to **claim your compensation for every registered patient**.
