Important Information

We have now optimized the speed of the eCRF, so that data entry is now faster compared to previous versions of the eCRF.

As data quality is crucial for every registry – including the SLIM-Registry – every patient will be monitored and we will contact the responsible physician after finishing the review process for each center. If you have not already responded to the questions asked by the reviewers may we kindly ask you to do so. This is highly appreciated and thank you very much for your collaboration in advance.

Please remember that you are entitled to receive a compensation for every registered patient (at registration 200 CHF, at last Follow-up 100 CHF). You will find the invoice after your Log-in at the Homepage www.slim-registry.ch. Please fill in the details of your bank account in the invoice and send that form to CTU Haematology, c/o Mrs. Gaby Fahrni, Luzerner Kantonsspital, Spitalstrasse, 6000 Luzern 16.
